455:1 Purpose. Amend RSA 162-I:1 as inserted by 1975, 98:1 as amended by striking out said section and inserting in place thereof the following:

162-I:1 Declaration of Need and Purpose.

I. It is hereby declared that there is a need for the development of industrial facilities, including pollution control facilities, within the state in order to create or preserve employment opportunities, protect the physical environment, preserve or increase the social or economic prosperity of the state and its political subdivisions and promote the general welfare of the state's citizens.

II. It is hereby declared that there is a need for the acquisition, construction and reconstruction of railroad line facilities in order to maintain or improve the transportation capacity of the railroad system in the state, facilitate the economical shipment of goods for commerce and industry, preserve or increase the social or economic prosperity of the state and its political subdivisions and promote the general welfare of the state's citizens.

III. It is the purpose of this chapter to authorize the state, acting through the industrial development authority, to foster and encourage the development of eligible facilities, as defined in this chapter, in the state without the use of public funds by issuing revenue bonds to assist the financing of the eligible facilities. It is further declared that the actions authorized by this chapter serve a public purpose and that in carrying out the provisions of this chapter the industrial development authority shall be regarded as performing an essential governmental function.

654:28 Procedure. The supervisors of the checklist shall hear all applications for a correction of the checklist and the evidence submitted thereon and shall correct it according to their best knowledge so that it contains only the names of those persons qualified to vote at said election. The names of all persons not qualified to vote at the time of any session, but who shall clearly be qualified to vote on election day, may be added to the checklist at that session. No additions or corrections shall be made after 6:00 p.m. Saturday 10 days prior to election day, except as provided in RSA 659:12. The additions and corrections resulting from such sessions shall be made to the previously posted checklist on or before midnight on the succeeding Wednesday either by additions or corrections to said checklist or by posting a new corrected checklist. Notice of such additions or corrections to the checklist shall also be given to the town or city clerk.

654:29 Certification of List.

I. The supervisors shall subscribe and make oath to the following certificate on the back of the checklist, as corrected by them: We, the supervisors of the checklist of the town (or ward) of _____ do solemnly swear that, according to our best knowledge, the within list contains _____ (number) names of those persons only who are, by actual domicile, legal voters in said town (or ward).

II. They shall file a true copy of the corrected list, attested by them, with the town clerk. The checklists so corrected shall be used at the election. Any person who swears falsely in making such certificate shall be guilty of perjury.

654:30 Correcting Data Files. After each state election, the supervisors shall use the checklist from such election to correct the standard data files to conform to any changes which are evident from the checklist. The standard data file so maintained and corrected shall be a public record open to inspection at reasonable times and as otherwise required by law.

654:31 Availability of Checklist. The checklist as corrected by the supervisors shall be open for the examination of any person at all times before the opening of a meeting or election at which the list is to be used. After each state election, the supervisors shall furnish to any person requesting the same a copy of the checklist which was used in said election without the voting marks thereon and with or without party designations at the discretion of said supervisors. The supervisors may charge a reasonable fee for these copies for the use of the town or city.

Checklists: Additional Provisions for Primary Elections

654:32 Hearings on Alterations to Party Registration. Before each state or presidential primary election, the supervisors of the checklist shall be in session for the change of party registration of legal voters. The sessions shall be on 2 days, at least, and at such other times as they deem necessary, and shall not be closer in time to the primary than the day immediately prior to the first day for the filing of a declaration of candidacy.

654:33 Posting Copies; Notice of Sessions. The supervisors shall post copies of the checklist, showing the persons in the town or ward entitled to vote, with their party registration, so far as such registration has been made, in 2 or more public places in such town or ward at least 10 days prior to such session; and notice of the date, hour and place of the sessions to revise such registration shall be given upon such checklists.

654:34 Change of Registration.

I. Change of registration of a voter whose party membership has been previously registered.

(a) Any legal voter whose party membership has been registered may change such registration by appearing in person before the supervisors of the checklist for his town or ward at any session provided for in RSA 654:32 and stating to them under oath or affirmation, that:

(1) He intends to affiliate with and generally supports the candidates of the party with which he offers to register, in which case he shall be registered as a member of such party; or

(2) He does not wish to be registered as a member of any party, in which case his party designation shall be removed from the checklist.

(b) He may also change such registration at any primary, upon making oath or affirmation to the same effect, but he shall not be permitted in such case to vote the ballot of any party at such primary.

II. Change of registration of a voter whose party membership has not been previously registered.

(a) Any legal voter who has not been registered as a member of any party may register as a member of the party of his choice by appearing before the supervisors of the checklist for his town or ward at any session provided for in RSA 654:27 and stating to them, under oath or affirmation, if required, that he intends to affiliate with and generally supports the candidates of the party with which he offers to register, in which case he shall be registered as a member of such party.

(b) He may also register as a member of a party at any primary by requesting and voting the ballot of the party of his choice and if challenged, he shall take an oath or affirmation to the effect that he intends to affiliate with and generally supports the candidates of that party.

III. Notwithstanding any provision of paragraphs I and II to the contrary, no person who has voted in a primary may thereafter on the day of said primary change his party registration or change his registration so that he is registered as a member of no party.

654:35 Corrected List. After a pre-primary session, the supervisors shall prepare a corrected checklist showing the registration of party members as corrected by them; and such checklist with the corrections that shall have been made in the sessions provided for in RSA 654:27 through 654:32 shall be used at the primary.

Periodic Maintenance and Verification of Checklists

654:36 Reports of Transfer. If the supervisors of the checklist have received a notice of transfer from another board of supervisors of the checklist in the state of New Hampshire that a voter whose name is on the checklist has been added to the checklist of some other town or city, they shall strike that name from the checklist at the next session for the correction of the checklist. They shall retain the notice as proof of their reasoning in striking the name from the checklist.

654:37 Reports of Death. Whenever there is filed in his office notice of the death of any person or persons of the age of 18 years or over, the town or city clerk shall notify the supervisors of the checklist of said town or city, and shall submit a notice of same to the supervisors at their next regular session. Upon receipt of such notice, the supervisors shall examine the checklist to determine if the name of said deceased person appears thereon, it shall be removed from the checklist at the next election. Any supervisor who shall neglect or refuse to remove the name of such deceased voter from the checklist after receiving notice from the town or city clerk shall be guilty of a violation.

Assistant Attorney General
Civil Bureau
Department of Justice

Concord, New Hampshire 03301-6397

Dear Mr. Fitch:

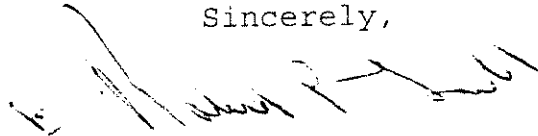

This refers to Session Law Chapter 436 (HB 575) (1979), which recodifies the election laws of the State of New Hampshire; Session Law Chapter 266 (HB 577) (2003), which implements the Help America Vote Act of 2002 (HAVA), 42 U.S.C. 15301-15545; and the adoption of formal administrative procedures for the resolution of election law complaints, including complaints filed under Title III of HAVA, submitted to the Attorney General pursuant to Section 5 of the Voting Rights Act, 42 U.S.C. 1973c. We received your submissions on June 7, 2004.

The Attorney General does not interpose any objection to the specified changes. Regarding Session Law Chapter 266, we note that the act specifically amends the following provisions of the State's election laws: RSA 655:19, II (Chapter 387 (1991)) (to provide for the deposit of certain candidate filing fees collected by the secretary of state into the election fund); RSA 655:19-c (Chapter 387 (1991)) (to provide for the deposit of any administrative assessments paid to the secretary of state into the election fund); RSA 664:3, I (Chapter 351 (1997)) (to provide for the deposit of political committee registration fees paid to the secretary of state into the election fund); RSA 664:21, II (Chapter 351 (1997)) (to provide for the deposit of any administrative fines for violations of the State's campaign finance laws into the election fund); and RSA 665:7 (Chapter 436 (1979)) (to authorize the Ballot Law Commission to hear and resolve complaints alleging violations of Title III of HAVA, as specified).

We note also that Section 5 expressly provides that the failure of the Attorney General to object does not bar subsequent litigation to enjoin the enforcement of the changes. In addition, as authorized by Section 5, we reserve the right to reexamine this submission if additional information that would otherwise require an objection comes to our attention during the remainder of the sixty-day review period. See Procedures for the Administration of Section 5 of the Voting Rights Act (28 C.F.R. 51.41 and 51.43).

Session Law Chapter 266 includes provisions that are enabling in nature. Therefore, the State is not relieved of its responsibility to seek Section 5 preclearance of any changes affecting voting proposed to be implemented pursuant to this legislation (e.g., creation of a centralized statewide voter registration database by the secretary of state and guidelines issued by the secretary of state implementing the database). See 28 C.F.R. 51.15.

Sincerely,

ATTORNEY GENERAL

MICHAEL A. DELANEY
DEPUTY ATTORNEY GENERAL

News Release

RELEASED BY: Attorney General Kelly A. Ayotte

SUBJECT: Voting Rights Act – Submission of a request for preclearance of changes to New Hampshire Voting laws and procedures

DATE: June 10, 2005

RELEASE TIME: Immediate

Attorney General Kelly A. Ayotte announces the submission of requests for preclearance of changes made to the election laws in New Hampshire to the Federal Department of Justice. Preclearance submissions will address changes made to New Hampshire's election laws since jurisdictions in the State became subject to preclearance.

Ten New Hampshire towns are subject to section 5 of the federal Voting Rights Act. Changes to New Hampshire election laws that affect any of these ten towns must be submitted for review by either the Federal Department of Justice or the Federal District Court for Washington D.C. The federal Department of Justice will review the changes to New Hampshire's election laws to ensure that the changes do not have the effect of denying or abridging the right to vote on account of race or color, or membership in a language minority group. Changes to New Hampshire redistricting statutes have been submitted to, and approved by, the U.S. Justice Department since the 1980 census. Federal regulations require that the public be notified that the State has filed a request for preclearance and that the submission be available for public inspection.

Copies of each submission by the Attorney General for the State of New Hampshire are available at the office of the Attorney General at 33 Capitol Street, Concord New Hampshire, 03301. Each document will also be made available at the Attorney General's Office web site at:

<http://www.doj.nh.gov/elections/>

Attorney General Ayotte and the federal Department of Justice invite persons interested in this submission to submit comments and information, in writing or by telephone, to the Voting Section of the Federal Department of Justice, Civil Rights Division, at the earliest possible date to ensure that they may be considered during the preclearance review time period. Telephone 1-800-253-3931 or (202) 307-2385 or write Chief, Voting Section, Civil Rights Division, Room 7354 – NWB, Department of Justice, 950 Pennsylvania Ave., NW, Washington, DC 20530. The envelope and first page should be marked "Comment under section 5." Additional information on the Voting Rights Act and the preclearance process can be obtained at the web site of the Federal Department of Justice at:
